1-800-880-8378

Please note that this COC has form fields that can be completed within a standard PDF reader. Some clients complete the entire COC electronically, some pre-populate contact information and fill in the samples and assignments by hand, and others complete the entire form by hand in the field. Please have a copy of the COC accompany the sample(s) to the laboratory so that work can be initiated upon receipt with the correct project name, sample identifications, assigned tests, and relevant details in place. Thank you for your business.

COC Line #	Sample Identification (Name for Reporting) (Boring #, Sample Depth, lat/long. etc.)	Sampling Method			Testing Standard																												
		Split Spoon / Bag Sample	Thin-Walled / Shelby Tube	Bulk or Auger Sample	D2166 UC Unconfined Compression	D2850 UU Unconsol. Undrained (Total)	D4767 CU Consol.
